GitHub: github.com/shivansh01-24

Email: shivanshsrivastava080@gmail.com
Mobile: +91 7525891099

Skills

Languages: C++, Python, C, JavaScript, TypeScript, SQL, HTML5, CSS3
Frontend: React, Next.js, Redux Toolkit, Tailwind CSS, Vite, Responsive Design
Backend/APIs: Node.js, Express.js, RESTful APIs, Asynchronous Programming, WebSockets
Databases: MongoDB, PostgreSQL, MySQL
Core CS: Data Structures & Algorithms (DSA), OOP, DBMS, OS, Computer Networks, Agile, Git
Soft Skills: Problem-Solving, Team Player, Adaptability, Analytical Thinking

Projects

- BLW-EAMS** | React, Vite, Node.js, Express, MongoDB, Tailwind CSS, JWT [\[Live Demo\]](#) [\[GitHub\]](#) 2026
- Architected a full-stack Enterprise Asset Management platform featuring Role-Based Access Control (RBAC), JWT authentication, and Helmet security middleware across 100% of user routes.
 - Formulated work order tracking and asset lifecycle workflows with QR code tagging and analytical dashboards, decreasing industrial equipment maintenance downtime by 35%.
 - Implemented rate-limiting, input sanitization, and structured REST APIs, maintaining 100% database transaction consistency and achieving response times under 120 milliseconds.
- LocalDrop** | Next.js, TypeScript, WebRTC, WebSocket Protocols, Tailwind CSS [\[Live Demo\]](#) [\[GitHub\]](#) 2026
- Engineered a high-performance peer-to-peer file transfer engine leveraging WebRTC data channels and WebSocket signaling for direct encrypted transfers with zero server storage overhead.
 - Designed chunked binary streaming protocols and automated local subnet discovery, delivering 3 times higher throughput compared to multi-hop cloud uploads.
 - Constructed a responsive Next.js web application with real-time transfer progress tracking, connection health indicators, and automatic peer reconnection logic.
- Chinh** | JavaScript, Chrome Extension (Manifest V3), HTML5, CSS3 [\[Live Demo\]](#) [\[Chrome Web Store\]](#) 2026
- Published a Chrome Web Store extension that injects in-context annotation overlays across ChatGPT, Claude, Gemini, and Perplexity for active daily users.
 - Deployed a local-first vault storage architecture using the HTML5 File System Access API, writing atomic JSON backups directly to local disk for 100% data ownership.
 - Programmed dynamic DOM coordinate tracking algorithms to anchor and restore highlighted conversation notes across asynchronous page rendering.

Work Experience

- Banaras Locomotive Works (BLW), Indian Railways** Jun 2026 - Jul 2026
Software Engineering Intern - EDP & Technical Systems Varanasi, India
- Automated modular Electronic Data Processing (EDP) pipelines, streamlining enterprise report compilation across 4 production divisions and reducing data processing latency by 45%.
 - Evaluated locomotive control software architectures and diagnostic telemetry, verifying 20+ system parameters to ensure 99.9% fault-tolerant real-time hardware communication.
 - Collaborated with cross-functional engineering teams in an Agile development environment to optimize computer numerical control execution pipelines, increasing industrial scheduling throughput by 30%.

Certifications & Honors

- First Place Winner - Infosys College Hackathon 2026
- Certificate of Merit (Grade A+ / Outstanding) - DSA Placement Bootcamp, CPE LPU 2026
- Infosys Certified C++ Professional (Object-Oriented Programming & DSA) 2025
- NASSCOM Foundation & Cisco thingQbator Certificate of Excellence 2025

Education

- Lovely Professional University** Phagwara, Punjab
Bachelor of Technology in Computer Science and Engineering 2024 - Present
- Little Flower House** Varanasi, Uttar Pradesh
Senior Secondary (Class 12) & Secondary School (Class 10) 2020 - 2024

Extracurricular Activities & Interests

- Robotics & Drone Aeromodeling:** Secured 2nd Position in Flight Fury (Drone Aeromodeling) and participated in Robo Soccer at the Adwitiya technical festival.
- Search Engine Optimization (SEO) & Web Performance:** Experienced in technical on-page SEO, Core Web Vitals optimization, semantic HTML indexing, and structured schema markup.
